A Whole Lot Of Convincing

Still doing your thing

i wonder how long youâ ll last.

I do still worry

youâ re just in the very back of my head now.

Itâ s a shame i stopped missing you.

Itâ s a shame that it happened.

It was a self preservation instinct reaction.

It put me in pain missing you,

it made me itching to see you again,

it made me cry because you were my only friend.

I needed it to stop.

So like iâ ve had to do in the past,

i pushed you out of my mind.

Convincing myself iâ d never see you again,

it pained me to do it,

but how could i not?

Now you want to start overâ !

Itâ s not going to be easy this time.
