# New Year/s

The light thatâs coming now  
is the new year light breaking through.  
Moving forward weâll count  
till the clock strikes 12 then shout.  
Though the past may have been rough,  
the next is surly to be healing to us all.  
For the ones who were lost,  
for the familyâs now changed.  
Have a happy new year  
and bring all the hopes and wishes together as one.
