GET OUT OF BED

Filled with funny shapes and
ghost and ugly demons.

There were clouds above,
and rain in the forecast, so i
put on my rain coat and
turned up the music.

I awoke with blood shot eyes
and a pounding in my head,
that could of been a two point2,
or a two point5, just
when i thought it would get
wores, the alarme clock sang
and yelled get out of bed.
