HOBO-A TIMEOUT 15

With a story, comes perspective of the story. Here in scope, we find two entities of life. A dominion of stance has formed with HOBO-A and the friend. Each embracing life, in the context of experience. Transposing those contexts, into a manifestation of being. The audience of the world taking notice of manners.

The friend a seeming good person, as the law of man would call, a reasonable man. Though I'm sure with flaws of character, that will attach with life. A seeker of GOD, with the armour of GOD, encrusts the friend. Following, JESUS, in trying to love your neighbor as yourself. Filling much of GOD'S dictates to mankind.

HOBO-A, the other side of the coin, in juxtaposition to the friend. Flashing before the friend, an induced world of input. Though this input is of the world. It is enmity, with the teachings of GOD and the Bible. A weight hangs upon HOBO-A, that gives one to take pity.

Both characters bring the domains of, GOOD & EVIL, into a focus. Yet, as observers we can only observe, from our own learnings. The Bible bringing forth GOOD from the study hopefully. The world, full of lusts, brings deviation from the Bible. Though on, JUDGMENT DAY, GOD, will separate the WHEAT from the TARES.
