Learnings From Hanuman Chalisa

When I was going through the worst time of my life something is there which give me Strength , Courage , Luck and Focus .I have depicted these 40 formulas of Life Known as "Hanuman Chalisa" Some other persons have also depicted by them , its the matter of thinking and views as all are the discipile of the great Power Sri Hanuman Ji .

I would like to have your permission to share something for all of us .

1) Sri Guru Charan Saroj Raj Nij Man Mukur Sudhari , Barnau Raghubari Bimal Jasu Jo Daayanku Fal Chari

Buddhiheen Tanu Janike Sumiro Pavan Kumar , Bal Buddhi Vidhya Dehu Mohi Harau Kalesh Vikar .

Here I need the experience of my teacher touching his feet (where the feet are deeds and failures which the teacher had already scene), I make my mind clear with the thought that my teacher is the one who can introduce me to the one who will give me the four attainments of life . As we all know the four attainments in life are 1) Dharma , 2)Arth , 3)Kaam, & 4)Moksha .

Let us Discuss the four attainments of life

1) Dharma : Acc. Law of the Conservation of Energy. Energy cannot be created or destroyed; it can only be changed from one form to another. It is same as the What is written in Shri "BhagvadGeeta" Soul can neither be created nor can be destroyed, but can change from one body to another .

This means that Soul=Energy and it can change from one form to another i.e one body to another body . Our Dharma represents a path to meet with the ultimate Energy that is GOD . Hence whenever someone ask that who are you We should Reply with the form of energy we are i.e " I am a Hindu form of Energy " or "I am a Islamic form of Energy " .

2) Artha /economy/Purpose : Most of us understand arth as money or economy and thus we have economics the study of money and resources . For me the meaning of arth is the purpose of my life and from that purpose I would really love to learn it may be possible that I would earn less but to do what I like the most will give me the upmost satisfaction rather then earning high from something that I am not fond of . This also gave us a formula :

To know form which work /act/ skill/ or knowledge from which you can earn the highest amount of money one have to find the work/skill/actor knowledge he/she will do even he or she is not paid that means when you found your interest you found the source of happiness and earning happily doesnt matter the earnings are less or high if you are enjoying your work .

3)Kaam /Sense of touch /Desire : Everyone know that Sri Hanuman Ji Maharaaj is present on earth with asceticism. But when you see some refrences reciting the Hanuman Ji Aarti we chant in the fourth phrase

"De Beera Raghunath Ptahaye Lanka Jari Sia Sudhi Laaye , Lanka so Koti Samudra Si Khaayi Jaat Pawansut Baar Na Laai "

Sri Hanuman Ji Mahraaj was the one who Helped Bhagwan Sri Ram fullfill his desire to meet Maa Sita .

When someone is having a desire with pure thoughts to be with someone Shri Hanuman Ji Mahraaj will not

Learnings From Hanuman Chalisa

restrict him but will help him to pass the obstruction as he in the first jump crossed the sea between India and Lanka . Keeping that in Mind that ones desires should not be accompanied with sin or some other beliefic thoughts as the results may be reverted and one with no pure desires should be punished " Dusht Dalan Raghunath Kala Ki"

Bhagwan Sri Ram do not follow asceticism and also Sughriva , Arjuna , Vibhishana but these all had got helped from Sri Hanuman Ji Maharaaj i.e Arjun chariot was supported By Hanuman Ji Maharaaj , Vibhishans Meeting with Bhagwan Ram and Sughriva issue Thus , its not necessary to follow asceticism to get the Blessings of Sri Hanumaan Ji Maharaaj all one is need to have pure thoughts and pure desires with no sin .

4) Moksha/ Salvation /Liberation : Kaam , Krodh , Swarth , Irshya , Moh ,Lobh , Ahankaar, Anaitikta, Nastikta , Bhay (Fear) Sri Hanuman ji Maharaaj will help everyone of his discipile to win over these vice of Doshas . For me To win over anyone of the doshas is moksha It may vary from discipile to discipile how one define the Moksha .

Reciting the Line Second I Learn:

Budhiheen tanu janike Sumiro Pavan Kumar : when I am "buddhiheen means with no knowledge I ask the Power to induce the ability of unlearn and relearn and delearn , whereas "Pavan Kumar " Sri Hanuman Ji Maharaaj is present on earth , So I will get these things from him only if any barrier in my path of life comes he will by knowing that I dont have any knowledge will make me learn by his virtue of power and present like my Guru , will put me to pass the barrier .

Bal, Buddhi ,Vidhya (Acceptance , Knowledge and Skill) : In old age people were asking for the physical strength only . Here in this age any of you and me who work in the corporate environment or in his personal life need the strength to present himself (Personality) , this "Bal " or the strength is I am asking for is the strength called as Confidence to represent myself and accept me as I am .

Many Academics , Industrialists and writers had define personality in different ways .

For Me A discipile of His Highness Maharaaj "Sri Gaibi Saahab Ji " Sarkaar who know that for any instances either in the work and my personal life The Power is with me and I will not change myself because the other person wants it and the Power makes me fearless .

I define Personality is the difference between what I am inside and what I represent outside and this difference should always be equal to zero .

Hence , Personality = Inner Individual - Individual Represented Outside

= 0 .

Let us share an example : One guy working in a company makes a Presentation with some videos and some pictures but his bosses and others edit that presentation by adding some of there stuff and deleting some of his stuff the output what will come is not his but it is derived from some other negative energies that suggest to change his work . Its better to accept own decisions rather someone else even if its write or wrong it increase the sense of responsibility and interest towards the output .

Knowledge : By learning from the teacher books and ones focuses strength knowledge can be achieved . Knowledge is never incomplete or less it is only unexposed . Let us discuss an example , Most of us dont know each other individually , it does not mean that we are not learned in our field its the matter if fate that we have not exposed to the skills of each other .

Learnings From Hanuman Chalisa

Skill : As defined in wikipedia A skill is the "learned" capacity to carry out pre-determined results often with the minimum outlay of time, energy, or both. As one of my acquaintances (One who can speak in the call center accent those personalities who already have changed their originality to earn or their interest change them) said that "SKILL" can not be taught and learned it can only be developed and can be practised.

SKILL : Simplified Knowledge of Individuals in Labour and Learning.

everything in this life of competition is based on skill one got a high score in exams but in practical situations he is not able to do the same task , As in exams we just have one work to score but in Practicality Life is not a piece of paper and a three hour journey like a short run period . Life is a Firm which have to go for a Long run and there are more Macroeconomic factors (which one cannot control himself) than the controllable microeconomies .

what one needs to do is to practice his or her skill to the highest commitment , scoring good marks is not enough to succeed and its a representation of one in particular timeperiod and selective situations .

Harau Kales Vikar : There are only two types of Vikar (disorder or Disbelief) in the world . One is to having negative thoughts and demotivated responses second is to hesitate to ask or speak . Once a person came across these two troubles everything is possible for him .

Sri Hanuman ji Maharaj will give the Power to come across these two problems one who is the discipile of Sri Hanuamn Ji Mharaj will be fearless and can be able to do all the things requisite to succeed in this era of competition either in the work or either in ones Personal Life .

It is also learned by these phrases that the GURU or the Teacher Should understand and win over " Daharm, Arth , Kaam , Moksha" and also should be free from all the Vices .

2) Jai Hanuman Gyan Gun Sagar , Jai Kapees Tihu Lok Ujagar , Ram Doot Atulit Bal Dhama, Anjani Putra Pawan Sut Nama

One who is having the enough knowledge like sea but still it keeps calm , Kapees: Someone who is developing and updating as when ape turned to man there comes ego but one who is still developing will keep the ego aside .

Ram Doot : Ram stands for good charchater and doot : Messenger So one whois ready to help good people would have uncomparable strength , the son of Wind

As Wind is the form of energy that can not be seen but only can feel , this tells us that the energy of feeling is more powerful than any energy.

3)Mahavir Vikram Bajrangi , Kumati nivar sumati Ke sangi

One who is the the Most Strongest will make the evil thoughts end . Thus , To be more strong one shoul Keep himself motivating and far away form negative thoughts .Despite all the circumstances if negative thoughts still comes in mind Recite the name of Sri Hanuman and Keep Faith om Him .

4)Kanchan varan viraj subesa ,Kanan Kundal Kunchit Kesa

Kanachan Varan : Like Gold , **Kanan Kundal :** Rings in Ears

Learnings From Hanuman Chalisa

Gold is not subjected to depreciation ,our outer beauty may will end but one have to keep the inner beauty intact .

Gold Rings in ears signs to accept and Listen to good thoughts which can keep inner beauty intact and good character .

As Defined : Good Charchter = Good Personality = Inner soul-outer body =0

If one ia a butcher and admitting that it is something he is doing for money it will be better than someone who is making a temple for earning money and telling that he is doing for some good reason .

5) **Hath Vajra Aur Dhuvaje VirajeKandhe moonj janehu sajai**

Vajra : Hathiyar : Hand tools (Knowledge ,Skill ,Attitude/grattitude), Resources , Dhuvja : Leadership Qualities , Janehu : Indication of Good Deeds
