On creation

Oh Blessed are we for we are the creators of our life..
Our life is the greatest masterpiece created by the master artist...
It is by creating that we are Celebrating GOD..

GOD being God cannot not be creative..
Oh What are we not but GOD manifested,
for there's nothing which is not GOD..

Oh GOD, I celebrate you by creating my life..
and thus contributing my part in the macroscopic creation.

Oh GOD let your greatness be celebrated all throughout the creation...
Let everyone realize you through realizing themselves..

Oh Blessed are we for we are the creators of our life...
I LOVE YOU GOD
