Poem: Climate for Miracles

Never doubt the Love of God and His promises;
for with Jehovah, all things are eternally possible.
Nothing is beyond the grasp of His hand, since He is
Creator of the Universe and Master of the impossible.

Therefore, chose to believe in heavenly miracles
and honestly respect His Law of Agreement.
Discard spiritual doubts and confess your sin;
enlarge your faith and renew your commitment.

Speak continually against the mounting issues of life,
for with focused faith, they can be removed from view.
Hold out for God's best by applying His Principles!
Know that He honors His Word and the results are true.

Accept the unexplainable; His ways are superior to ours.
Take human limits off God's ability; expect a turn-around.
Practice all tenets of faith and walk in His Light;
insure that your ideology is always Scripturally sound.

A climate for miracles is still possible today,
when recognizing that Christ is the Life, Truth and Way!
