Solo (Milky Way)

Solo (Milky Way)

Solo, waiting for the fury from

Damn clouds,

Milky Way

I could be right away

But, do you care?

Carry, starry,

Universe! such a dream,

Magnetic forces

Unbalanced! to whom,

So many courses

Might be, Destiny!

Altogether, your success,

Solo, space, no time,

Milky Way,

Billions and billions,

Of stars,

I can't say, count my

Damn scars!
