# Are You a Castaway?

Are you a castaway as I once was  
at one point in my life?  
Do you feel the heartache of destruction  
the never ending strife?  
What demons chased you in your sleep  
and haunted every hour?  
Did people make you cruel and cynical  
turn your heart forever sour?

I have been as you are now  
lost in some constant haze.  
Hidden in my palace strong  
from others vindictive ways.  
God gave me back my strength  
a suit of armor true  
and if you ask Him my friend.  
He'll do the same for you.

So what do you have to gain  
if you keep that attitude?  
You harden up your heart  
and show no gratitude.  
You'll never see streets of gold  
or live in harmony.  
God is waiting for your call  
so He can share the victory.
