Cocoon Butterfly.

(c) 13/9/2008. By Poetlife.

I AM the highest form of love,

Born of light,

In the Creator's

Thought, sight,

Formed in a Divine cocoon

Of

Holy light.

Nourished by

Energy of love,

Vibrating, growing, forming, within,

The true heart,

Of

God's

I AM

Love, light, energy.

Coming, emerging into truth,

Remembering,

Who I AM,

Awakening of Divine love, fire, life,

Cocoon Butterfly.

Cocoon Butterfly.

Butterfly emerges,

In the birth of truth, love, fire,

Stillness waiting,

Drying Divine wings spread,

To be uplifted,

In the joy of His

I AM.

The beautiful butterfly,

Floating on,

In Divine, wonderful, love, light,

My flight lifts me upwards,

Into heavens delight, love, light.
