Signs.

By : **Poetlife**

Read the Bible,. The Lord warned us of signs,in the sky/heavens.society, wars, rumors of wars, family /relatives turning against each other etc;.I will pour my Spirit out on many. By their fruits you will know them. Don't hide your light under a shade. They are so true in life .Do you notice?I do. Is it time for His coming? Only God knows.

Signs.

Signs.

The signs are,

In the sky/heavens,

society,

News,

Wars, rumours of wars,

People turning against their family/relatives.

Help and forgive,

Heal us all Lord.

Lead us all to you.

(I partly start to understand what Your words mean't.

Be in the World -but not of it.)

Thank You Lord.

Amen.
