I'm Slowly Giving Up

I've thought about giving up, cause I don't know what to do, My mind is running wild, like animals at a zoo,
I've never been in this situation before, Praying to God, to show me more, To show me the way, and what to
do, Please just help me, I have nothing to lose, For I'm losing hope, what else can I say, I feel like I'm taking,
someone else's day, So if you can, will you show me the path, This is something I want to last, So I'll beg this
time, though it may not be the end, I need you here now, could you help a loving friend.
