Short and too the Point.

Short and to the point.

There are only two kinds of people on earth, those who know God and believe his every word and those who do not. This entire world has been the most misinformed, deluded, beguiled and buffaloed while being sucked in with clever trickery for the coming super double-cross that is going to leave a world of believers in shame and bloodshed because they had been left stultified with the appearance of illogical stupidity; and the other kind of people are the few that believe only God through His **every word** while flushing man, this world, and all the man made religious money sucking bull shit down the toilet once and forever because that is the only way to become not of this world. God has directed me in writing a book for these end times; and I am in wait for God to make it published for the world; and that is because we as the human race have reached the beginning of the end. What makes me different is living only for God with absolutely no other life, therefore when **THE WORD** says. . .

â The Lord looks down from heaven at us humans to see if there are any who are wise, any who worship him. But they have all gone wrong; they are all equally bad. Not one of them does what is right, not a single one. {Psalms 14:2-3}

I not only believe every word of God, but understand why it has been written, and there are over three billion that do not believe what God has just spoken to them all; and the reason they do not believe what God speaks is in these following words. . .

â It was thrown down out of heaven. (This giant dragon is that old snake, the one called the devil or Satan, who leads the whole world into the wrong way.) The dragon and its angels were thrown to the earth. {Revelation 12:9}-{ERV}

Just two of the 31,103 verses in the Bible clearly tell a world of believers they have been misguided by the father of lies; and he is so good at what he does, none, no, not one believer believes God for His every word. Yet when man tells them what God speaks is out of context, all believers choose what man says rather than who they all claim to believe in. So who do you think is out of context, God or man?

This following link shows just what God has done with me mentally and spiritually through the past five years of being in God's prison that has separated me from this world.

Short and too the Point.

This link is a prelude for the 290 page book that has been inspired by God that today no one will want, but tomorrow when slowly sinking in the quick sands of world chaos and no life line, this world will want to know why; and this book has the answers to why these things must be.
