You, Me, False Teachers, AW Tozer, False Prophets, God; and this world that has reached the beginning of its end under the corrupt rule of man that has always completely failed along with a world of believers who believe man over God.

## **This World Has Reached the Beginning of It's End.**

The Way That People Have Become; and always continue reading even if every word is not smooth and comforting because what you will read is what the devil does not want you to read; Therefore to stop only gives him the victory that he wants---but to continue and do as God says to do will make you one that overcomes the wicked god of this world alias father of lies.

We all live within a world with the vast majorities of human beings being into only self to the point where the rest of the world can just flat out go to hell because they really don't give a spit one way or another beyond false words with their body as an open shell that has no heart, feelings or compassion for anyone but themselves and their own family blood; and this entire world of religious church people are no different; and that is because if you as an individual become a genuine person of God who actually has the fear of the Lord, you have become completely different than all the man made religions of this world because you actually have some understanding of God through doing what this whole world of believers don't do; and now, at this point, believers all over this earth are completely lost through these words just spoken from whatâs known as a communication breakdown from being lost in space within the outer limits of the fifth dimension somewhere in time exactly where the god of this world has placed them all while leaving them with his counterfeit spirit in a false light with none, no, not one of them even knowing it; and that is because none, no, not one follow the written instruction of God Almighty who one day every person on this planet dead or alive will bow down to and worship in His Spirit of truth. So says â THE WORDâ that 99.9% of all the believers in this world donât believe beyond what the father of lies as prince and power of the air feeds into their mind.

To leave this world, exit this world, not be a part of this world, or have any association with this world are words and phrases that state a truth just as the words of God that when just looked directly at for what they speak with no confusion can be understood.

But what has man always done unto this day?

"We're here! We've come back to you.

You're our own true God!

Through great suffering and martyrs deaths during the great tribulation is when all believers will return to God because with great punishment they all will have finally learned the hard way who they should have trusted in the first place as instructed, but instead placed their confidence precisely where God told them all not to. Therefore no believers have the fear of the Lord beyond their own human spirit in man that knows not the things of God { 1 Corinthians 2:11 } with a whole world of churingaâs leading the way for all who follow them right into the deep ditches within their own paths that cannot even be seen because of their self pride that goes far above â The Wordâ . Unless of course AW Tozer can be found as a god to worship.

So as all things are this day concerning the beliefaâs of man worldwide. . . .

All that popular religion was a cheap lie,  
duped crowds buying up the latest in gods.

We're back! Back to our true God,  
the salvation of Israel.

The Fraud picked us clean, swindled us  
of what our ancestors bequeathed us,  
Gyped us out of our inheritanceâ  
God-blessed flocks and God-given children.

This World Has Reached the Beginning of It's End.

## This World Has Reached the Beginning of It's End.

We made our bed and now lie in it,  
all tangled up in the dirty sheets of dishonor.

All because we sinned against our God,  
we and our fathers and mothers.

From the time we took our first steps, said our first words,

we've been rebels, disobeying the voice of our God." {Jeremiah 3:22-25}-{Message } . . .and still being those same disobedient rebels unto this day. {KJV }

By David J. Stewart

Aiden W. Tozer (April 21, 1897 to May 12, 1963) was a false prophet! Mr. Tozer unquestionably taught Lordship Salvation. At one time I viewed him as a great man of God, but then one day realized that he taught a false gospel.

Now at first glance the following statement from Mr. Tozer seems true, but if we think carefully about the implications of what Tozer is teaching, it become highly subjective and open to hot debate. If a person must be willing to reform (change) to be saved, then what about the young couple who are shacking up in fornication and have no intentions of getting married? Does Tozer mean that God will not save them unless they are willing to marry? That is what Tozer is teaching.

The churinga {christain site administrator} beliefs worldwide along with a million others are what is dragging this entire world of believers into the land of swamps filled with hidden quicksand that will slowly suck the life from billions worldwide because they have all chosen themselves and what man teaches rather than only the few that look only to the Father just as a true believer is the body of Christ that follows only their Head Jesus Christ.

To trust fully in God removes believers from this world while placing them all under His loving protection from the coming famine, sword, diseases, waste and desolation; and that is what God has been teaching me through these past near five years now.

Letâs make a clear point about who I am as just another human being like churinga or anyone else who believes with only one difference; and that difference has come from being removed from this world and made to see what before or prior to making my exit from this world I could never before see.

Through my past twenty years with God I was exactly like all who believed in God at different levels, so I was one who from the start would spend hours, days, weeks, months and years with God solid in my heart and mind, but with different thoughts on scripture that required the same thought pattern or what sounded good from a commentator or writer like Tozer, Hal Lindsey, Robertsonâs Word Pictures, John Gill or any of thousands into the millions of added people in the world all through the past and into this day who voice their own interpretations that they alone feel certain are 100% correct with no one ever telling them different because their own human spirit is their own ruler that has no room for anyone other than selfâ Period. So all of us who believe only believe what we want to believe while searching for agreement from another believer no matter how many commentaries, books or Bibles we may have to read while in search for what sounds good.

So what about these following words from â THE WORDâ ?

â But you must understand this at the outset, that no prophecy of scripture arose from an individualâs interpretation of the truth. No prophecy came because a man wanted it to: men of God spoke because they were inspired by the Holy Spirit. {2 Peter 1:20-21 }-{J.B.Phillips }

## This World Has Reached the Beginning of It's End.

Just as very heavily stated more and more in all that I write as a servant of God, thy word is truth, pure, tried and written with absolutely no confusion; and that means doing exactly what a world of over 3 billion believers do not do; and God tells them all through His words of communication that a world of believers in God refuse to believe.

What does â THE WORDâ speak in these following words?

â Who hath saved us, and called us with an holy calling, not according to our works, but according to his own purpose and grace, which was given us in Christ Jesus before the world began, But is now made manifest by the appearing of our Saviour Jesus Christ, who hath abolished death, and hath brought life and immortality to light through the gospel: {2 Timothy 1:9-10}-{KJV}

Now letâ s look at another Bible version.

â So never be ashamed of bearing witness to our Lord, nor of me, his prisoner. Accept, as I do, all the hardship that faithfulness to the Gospel entails in the strength that God gives you. For he has rescued us from all that is really evil and called us to a life of holinessâ not because of any of our achievements but for his own purpose. Before time began he planned to give us in Christ the grace to achieve this purpose, but it is only since our saviour Jesus Christ has been revealed that the method has become apparent. For Christ has completely abolished death, and has now, through the Gospel, opened to us men the shining possibilities of the life that is eternal. It is this Gospel that I am commissioned to proclaim; it is of this Gospel that I am appointed both messenger and teacher, and it is for this Gospel that I am now suffering these things. Yet I am not in the least ashamed. For I know the one in whom I have placed my confidence, and I am perfectly certain that the work he has committed to me is safe in his hands until that day. {2 Timothy 1:8-12}-{J.B.Phillips}

Now all the false teachers of this world will tell you is what Satan has told them because they all are of this world, but to be not of this world means only believing God and never man; and what that means is that even though the words of God were written by men inspired by Godâ s Spirit, through various translations there are many mistakes that only Godâ s Holy Spirit can properly direct---but only to those who seek silver and search for hid treasure with only trust in Him will He give His spirit to, but for this world with billions of churingâ s who head churches or websites as administrators . . .

â There is a way that seemeth right unto a man, but the end thereof are the ways of death. {Proverbs 16:25}

All that this entire human race of believers think and believe is what they choose, like, want, need and desire with anything else headed for the trash with the lid tightly sealed because they just want no bother from anything they consider as discarded trash.

I used to always get a steady flow of emails from different preachers, writers, sites and just anything to do with God because I have no other lifeâ Period. And that is a truth that no one will believe or even understand because itâ s not of this world, so now and today, what little comes that I have not yet stopped, I only delete. Want to know exactly what that means?

â Then said Jesus unto them, When ye have lifted up the Son of man, then shall ye know that I am he, and that I do nothing of myself; but as my Father hath taught me, I speak these things. And he that sent me is with me: the Father hath not left me alone; for I do always those things that please him. {John 8:28-29}-{KJV}

## This World Has Reached the Beginning of It's End.

â Good friend, take to heart what I'm telling you; collect my counsels and guard them with your life.  
Tune your ears to the world of Wisdom;  
set your heart on a life of Understanding.  
That's rightâ if you make Insight your priority,  
and won't take no for an answer,  
Searching for it like a prospector panning for gold,  
like an adventurer on a treasure hunt,  
Believe me, before you know it Fear-of-God will be yours;  
you'll have come upon the Knowledge of God.

And here's why: God gives out Wisdom free,  
is plainspoken in Knowledge and Understanding.  
He's a rich mine of Common Sense for those who live well,  
a personal bodyguard to the candid and sincere.  
He keeps his eye on all who live honestly,  
and pays special attention to his loyally committed ones. {Proverbs 2:1-8}-{Message}

â Give not sleep to thine eyes, nor slumber to thine eyelids. Deliver thyself as a roe from the hand of the hunter, and as a bird from the hand of the fowler. Go to the ant, thou sluggard; consider her ways, and be wise: {Proverbs 6:4-6}-{KJV}

Because we all as brothers and sisters are to live by every word of God, we are to trust in His every word and never the words of AW Tozer or any man; and prior to making my exit from this world, my search was high and low through any believer in this entire world who had anything at all to say that sounded good and in tune with my own superior thoughts that when God was ready all got flushed so that I could come to see that just as Christ, I am nothing without God as my only director through following His instruction in faith with absolutely no trust in man.

So what I know not, I try not to speak while knowing that when God is ready, He will give me only what He wants me to have with no more or less; and God makes no mistakes, so when this world of believers read His words without belief or understanding, itâ s because they have not the fear of the Lord from not following His instruction.

Do you have words against me? Was David perfect who lay with a married woman, got her pregnant and then plotted the death of her husband? Was Moses perfect who murdered an Egyptian? Was Jacob perfect who lied to his own father for a birthright blessing? Was Paul perfect who hated Christians and still did things he did not want to do even after called by God? None of us are perfect and we all make mistakes, but when the full intent of our heart has been centered on only God with no other life, our heart is speaking to God with direct communication rather than being lost in space.

We as the human race have all reached the beginning of the end of man ruling man that has always been a 100% complete failure. Just look closely at this whole world today; and what do you see?

Millions upon millions upon many more millions of children suffering their great tribulations through beatings, rapes, murders, abuse and being treated worse than animals; and here we have a world of only God knows how many believers who actually think they will be snatched away from earth before the great suffering comes upon this whole world because they have been saved and are above all else when believers

are raped, murdered, tortured, thrown into prisons, mental institutions, adultery, and just every darkness imaginable.

To believe God means to understand Him. So all who claim love with icy self centered hearts don't even know who God is because without the genuine love commanded by Christ in {John 13:34}, God can never even be known. So says â THE WORDâ in {1 John 4:7-8} that a world of churingâ s don't believe by their actions that they teach all others to follow with AW Tozer as their god.

We as the world need to repent now before its too late and God can no longer be found, and it hurts that only few will because the many will remain stiff-necked and hard hearted until they repent through great suffering and death rather than having Godâ s protection.

When I can't sleep at night itâ s because God is typing in my mind, so at 2 AM I get up, make coffee, and start writing with a mind that just keeps my fingers going non stop until about 6:30 AM; and as a whole, that is my whole life because each day 10, 12, 14, 16 or more hours each day have been spent in looking to God and writing while also fighting a life with more problems and hardships than can even be mentioned, and to speak them does no good anyway because believers really don't care beyond judgments or lip love from the self righteous who go no further; and that is why I am where I am through Godâ s calling because He knew I would always not only endure persecution from a world of false brethren, but only grow stronger while wanting to help as many in this world that He allows His mercy because of what He can see in their hearts that only need proper direction.

May God be with you all in great ways words cannot speak because Godâ s Spirit is not of this world.
