

Within my skin I hold a forest...

Within my skin I hold a forest...

By : Lazarus

A riddle to boggle your mind.

Within my skin I hold a forest...

Within my skin I hold a forest...

**Within my skin I hold a forest,
forever white, though stained by black.
Among it's trees you will find no life,
though here your fathers tell stories.**

Within my skin I hold a forest...

Within my skin I hold a forest...
