I Hate Loving you : Chapter 1

I lay there on the fold out couch/bed listening if anyone is up when I only hear breathing I decided I had to go to the bathroom I climb over my friend G and stepped on Vicky's hair in the process she moan's and then continues mumbling about her dream. Mary I notice is missing I look around to find her sitting up reading her messy brown hair in her face I had always been jealous of, so pin straight and all she looks up and smile's.

"I though I was the only person up" she said and got up her skinny body stretching it was so not fair I think to myself she could be a model 5ft 8 frame

"Oh yeah me, I have to pee" I say quietly laughing I bet I looked a wreck I hear a snort some from G and she turn's over I was so jealous of her hair to is that bad? Her blonde hair falling into its perfect curls framing her face.

"Umm okay to much information my dear friend" Mary says and she walks over jumping on G to get her up she says

"Get off if you know what's good for you Marylyn Elizabeth Jenson" she said in a feline growl as she pushed Mary off and I knew I should duck out before I got dragged in.

I was washing my hands when I hear a familiar voice "Oh god" I mumbled to myself as I hear Mary giggle and G say "Get away Ricky"

I walked into to find Ricky shirtless and throwing a pillow at Mary she totally loved him I swear you should see her look at G's brother it is SO sickening I hate him so much he turns around like I said it out loud and I smirk at him

if looks could kill he would already be dead G was giving Mary and him death looks Ricky throws the pillow he is holding at his sister G and walks past me stopping to shove my shoulder with his shoulder and licked his lips ,what a dick. I go sit by G. "Why is your brother the most disgusting thing on earth?" "I don't know. Why do people drool?" she says laughing "He isn't that bad" Mary says but G gives her that I will kill you if you say my brother is hot look which most sister's have It was silent well other than Vicky snoring
