This is a pretty easy riddle. Some what not a riddle. I just combined my writing into this piece. Enjoy!

Guess Me!

Guess Me!

What Am I?

Small, (sometimes huge) dark brown, and crunchy when you stomp on me.

I'm more afraid of you than you are of me.

I crawl around minding my own business, and just out of no where I find myself running from a big black thing with grews.

I run for my life, literally.

Humans hate me.

I look scary, but I wouldn't dare harm them.

So tell me what am I?

Guess Me!
