The bases are loaded and Michaels at bat he waves to the crowd and he tips his hat
The pitcher winds up and lets her rip with a crack of the bat itâs a round trip
For the Son of Man he hits a slam we will have a week (7) and then a grand (1000)
They lift him up to the throne the crowd roars the Master is home

Five foolish virgins and five wise My two towers shut the skies
I Am the MVP on the clouds they will see signs and wonders and power and glory
Kiss the frog you get a prince does the Spirit not testify nor angels convince
The marriage of the Lamb it has come heaven on earth Thy will be done
