Faites Moi Sortir (chapter four)

Faites Moi Sortir

CHAPTER FOUR

I went back inside to clean up the dining room, kitchen, and living room. After hours, the sun disappeared and out came the bright moon. I threw the broom and bucket into the closet in the kitchen and forced myself up the stairs. I barged into my room and laid down. Then a door caught my eye. I stood up, I had never seen this door before. When I opened it, I almost fainted. My very own bathroom!

I quickly began to strip my clothes off. I turned the water on and dumped as much bubbles as I could and stepped in. The water was warm and felt so refreshing. I shut my eyes and sighed. Suddenly, I heard the door open and lifted my head.

"Sebastian?! What are you doing here?!" I yelled.

"I don't know, the door was open so I let myself in." He said. Sebastian sat next to the tub and poked his finger in the water. "Mmm... the water's pretty warm, can I join you?"

"You surely cannot!" I snarled. Sebastian rolled his eyes and stood up. He started taking his jacket off but ignored him. I began to panic when he started un-buttoning his shirt. "Sebastian?!"

"Don't worry, I'll keep my pants on." He laughed. Sebastian kicked his shoes off and joined me. I screamed at the top of my lungs. "Why are you all the way on the other side?" He asked.

"Leave me alone!" I blushed.

Sebastian scooted closer and set his arm around me. I screamed again and put my head under water. When I looked back up, he was laughing his head up.

"Get out!" I demanded him.

"Why don't you get out?" He frowned.

"You know what? I will!" I took my arm out of the water and tried looking for the towel, but it wasn't there.

"Looking for this?" He asked. I turned around, and there was the towel, in his hand.

I sat up and reached for it. "Give it to me!" I said. Sebastian's face turned bright red as he smiled. "What?!" I yelled.

He pointed at my chest and gave me a thumbs up. I looked down and noticed that half off me was out of the water, so I quickly ducked back down.

"You perverted freak!" I blushed.

He laughed some more and suddenly gave me a serious look.

"Alison... shh..." He whispered.

"I'm not gonna shush if it's the last thing I-"

He hugged me tight and pushed me underwater, then he got pulled out by someone. When I lifted my head up, there were four men in the bathroom. One of them put a cloth over my nose, which made me faint.
