**Sherry:** means the microeconomic factors get swelled and they release the liquidity in the lower economic zone which is the primary supply point for incubation and extraction of raw material and finished product respectively .

**Darshana:** No , Its not like that so much of release of liquidity is only possible , when the whole production process gets complete and the formation of trade union is necessary but the union needs only two partners ,

Â

**Sherry:** that's not the proper product; I am just concerning about the economics,

So when are you inviting me to the processing room so we will trade love and make a union

**Darshana:** shut up, I can't do that I will do it with my hubby only

**Sherry:** I donât know why she talks like that, did she like me as a friend as an elder brother or she has some other approach

**Darshana:** hahahahaah

**Sherry:** I clearly told her that how am I and what kind of guy I am

**:Darshana:** Hehe No girl will say my sweet boy to her elder brother or friend.

Hhahahaahhaaha , then what she said

**Sherry:** she said that I want to tell you something but as I am elder than her she wouldnât be saying anything , then she said that I want a guy like you who loved me so much , why donât you let me introduce to any of your cousin , I replied that I am the only option so she sad she donât want any second hand item

**: Darshana:** hahhahahhahahahahah ,, but you are virgin guy a good one who donât cheat girls but directly asked them to do so . hehe

**: Sherry:** You know I am a semi-virgin hehe .

**: Darshana:** but it doesnât matter so much

**Sherry:** So doesnât matter for you too ?? tell me when I can reach your place

?

**: Darshana:** stop I donât love you.

**Sherry:** even she doesnât love me.

**Darshana:** Yes she does but she is afraid of something and thatâs why she told like this.

**Sherry:** She is a student leave her , It happens the skill of the teacher is to get into minds so its an shadow on there mind to like people like this and somehow I got the stage so early

**: Darshana:** Yes she does but slightly she is confused

**Sherry:** I told her yesterday that a friend of mine was saying that I am taking your advantage and we should not talk like this so she replied ok give me her number there is nothing like that this all is seed of your mind , You say more ?

**Darshana:** You will never get on the track sherry , hey I have to leave for a meeting so need to take a bath , bbye for now ,

:

Â

Â

Â

**Sherry** **Your work is too deal with that recruiters me also had a diploma in that you let me know if something comes in your way**

**Darshana** OK, But we do only recruitments

**Sherry** So put me on that then

**Darshana** Do you know how to do programming java c++, c or oracle me?

**Sherry** **No I know to play with minds only, I know how to sell and how to recruiter**

**Sherry** **Yes it happens you have scene me the most practical example**

Â

Â

**Sherry** hehe .

**Darshana** Yes you can laugh what else someone can do

**Sherry** See when We start chatting ad our friendship was at initial stage I always told you that I donâ t have a girl friend who loves me know now you can see Rinisha came and she love me a lot .

**Darshana** Its not all about to get love or not Its all about that why people betray, why do they say I love you when they donâ t mean to do so why people betray why they betray sherry tell me ?

**Sherry** Itâ s a good thing that you can find in the initial stage what happened if you find that the person you marry start betraying you after you both have tied the knots , It would be more painful for you , you should thank God for this .

**Darshana** and apart from that I am getting tortured emotionally I cant be harsh to people I donâ t know why I am like this you tell me is it my fault that people betray me because I am not able to be harsh with them or that if you expect something from a person you give them the right to stay in your life and control it and at the end they feel that they are better than us tell me sherry .

**Sherry** Why donâ t you talk to rinisha she have the ability to good very harsh as she love me a lot .

**Darshana** Good, God bless you both.

**Sherry** So what more you say

**Darshana** What more I should say , Wait for a while just have to attend a call .

**Sherry** This call took ages, did Mahesh Bhatt called you to discuss murder 2 story?

**Darshana** No I was just sitting silent

**Sherry** People who came on social sites and remain silent should be punished and I feel capital punishment is the right choice for them as they are insulting Mark .
