A QUIET TIME

It's almost 3 o'clock in the afternoon and I am sitting here in my bed listening to mushy love songs and thinking of you. Oh, you just dunno how much I missed you. Since the day that u left me, u are still here in my heart and u will never be forgotten coz u are already a part of me and as what I promised you, you will live in my heart forever.

The song WITHOUT YOU by CHARLIE WILSON is reverberating in my ears as I listen to it over and over again.. The lyrics is all about how I feel for you right now. This is more for me than for you coz i know u will never hear me even if I shout to the whole world what I want to say to you. You are so far away now and I know you are happy. If I will be given a chance to talk to you at this very moment, I wanna say I MISS YOU SO MUCH, BABY AND I AM STILL IN LOVE WITH YOU..THOUGH, LOTS OF CHANGES IN MY LIFE RIGHT NOW BUT MY FEELINGS FOR YOU WILL NEVER EVER CHANGE. I MISS YOUR SMILE, YOUR HUGS AND KISSES, I MISS BEING WITH YOU ALL THE TIME. I MISS SLEEPING SOUNDLY IN YOUR ARMS EVERY NIGHT. I MISS HEARING THOSE WORDS I LOVE YOU, BABY WHEN I AM DOWN AND OUT. I TERRIBLY MISS YOU.

Sometimes I am wondering where are you right now.. Are u always watching me every night when I sleep..? Baby, there are a lot of questions dancing in my mind right now but I know u will never hear it. Do you know how much I love you baby? I always ask why u never visit me in my dreams. Please even once, I just want to hear from you. Don't worry, I will not be scared. lol

I will make this blog as our connection, in here I can share with you my thoughts and my feelings. If u have time, try to visit and read each line. Even if u can't comment or response, I understand. Thinking that you are here reading my pieces, it will give me happiness in my heart. I love you so much baby and missing you terribly. Say hi to Dad from me. Til next time.
