## **A Letter to Britney Spears (From a Crazy Fan)**

Dear Britney,

I know because of the restraining order I am not legally allowed to send you letters, but nothing can stand in the way of our love. I know people say horrible things about you but I just want you to know, they are all idiots. No matter what they say, no one can bring down your confidence and self-awareness. One of the things I enjoy most about you is the fact that you never afraid to be yourself.

I loved it when you sang for me on live television that one time because I knew, deep down in your heart, that you did it just for me and I have to say that was one of the best things anyone has ever done for me in my entire life. I have all of your albums and I absolutely love each and everyone of them.

People called you a lunatic when you shaved your head to get attention but I thought it was one of the bravest things anyone has ever done. I know it frightened you when you found out that it was me who broke into your house at night and watched you sleep.

I want you to know that I will always cherish that memory of us together forever. I forgive you for the charges that you pressed against me. I know you probably don't like the idea of me showing back up at your house again but trust me, next time I do, I promise I will knock. I've never met anyone as incredibly awesome as you are. I love you very much and can't wait to see you again

Love,

Your Secret Admirer
