Lost Memory Lane

Summary: *Danielle 'Dani' Sky , is an honest and shy girl and has ever needed to depend on anyone after the fatal car crash that killed her parents when she was just 9 years old. she was moved from foster family to foster family and has never found a place to call home & people to call family ,& people to love. But all that changes when she meets Lucas Summers, her new old friend. He teaches her the meaning of family ,& she learns how it feels to love someone after years of not caring for anything. Will she accept the things he is doing for her , or will she end up pushing him away like she has to everyone else who came into her life ?*

CHARACTER PICTURES COMING SOON...
