Paintings in the Canvas of My Heart

**In the deep of the night
When no one is in sight
My favourite place to be
Where it is only you I can see
Looking at the pages in my heart
On a canvas I created you from the very start**

**Your eyes they remind me of sunshine
Bright and warm**

**Your rosy lips remind me of ripples on a Brooke
Soft and tender**

**Your hair lets me think of soft white clouds
In skies of blue**

**Your face so beautiful like a pink rose in bloom
A petal like velvet soft and smooth**

**Your hands remind me of your passionate touch
Playing a lovers tune on a piano**

**Your legs firm, sexy and inviting as you walk
Portraying such body language**

**Your sensual and gorgeous body
That of an elusive butterfly**

Your breasts with rosy hard nipples

Paintings in the Canvas of My Heart.....

Much sweeter than wine

**Your voice that of an angel
Singing a lullaby**

**For me you are perfect in every way
In my heart your painted picture will always stay.**
