Final Pray

By : **dhirash20000**

There is nothing to say about these lines. When you miss someone that is not in our life the words that come from our heart are something like this.

Final Pray

Will you be mine I just wana to say,
No other desire this is my final pray
How to express my feelings for you,
I donâ t know how much **I LOVE YOU?**
This whole world is nothing, if you not,
It will become just like a white cloth.
Please be the color of my destiny,
I want nothing except youâ !â !â !!!!!
