## Dinner for one in July

I don't want to say goodbye,  
But there is nothing left inside.  
Nothing left to consider you an ally,  
Nothing left for me to standby,  
Nothing left but a sigh.....  
All I do is wonder why....  
why him, that guy.  
But I guess you'll move on and ill still cry,  
And that is no lie.  
I will defy my thoughts to die,  
I will deny my urges to get high.  
I guess this means its going to be dinner for one in July...  
As I try to get over you many tears will pry themselves from my eye.  
I'll wipe them away so they can re-dry.  
I only wish you never could lie,  
Because i knew the whole time.  
All that's left for me is to outcry to the sky and ask for strength in God's biggest supply.  
But as for you and me I give you a very shy goodbye....
