Passion,

Passion,

Passion,

I believe in a little bit of passion, A little style and fashion, I believe in tears of joy, books and toys,

I believe in dreams, I also believe in that magical running streams of desire, I believe in thrills,
and laughter, water and fire, I believe in love, and happiness ever after, I believe in the rain, cuz it washed away
all my pain, I believe,

in fairy tales, little angels with wings, church bells that ring, and mocking birds that sing, I believe in a
wish upon a star, maybe money and a fancy car, I believe in a penny tossed into a wishing well, heaven and
hell,

I believe in magical spells, and love stories much more to tell, I believe in love in disguise, I believe,
in compromise, but I believe in the twinkle in ur eyes, I believe in Passion and someday we will make it to
paradise.

u and i.
