put ur arms around me

put ur arms around me

put ur arms around me.

Oh hold me gentle like a mother would her new born close to her breast,tell me u care,my princess,my dearest,
COMFORT MY HEAD ON UR CHEST,.let ur fragile heart and thoughts,

be about me,cuz perfect im not,but this can be our destiny, put ur arms around me stair me in the right
direction,hold me close,lend me ur should if i should cry,comfort me wen im sad,

but love me unconditionally, put ur arms around me and squeeze me, like a big old teddy bear,whisper sweet
love songs in my ears,yes ur love can heal my poor,lonely wounded soul,

melt away my sorrows,and mend my broken heart,Put ur arms around me, take me as i am,walk with me,talk
too me, help me get over my pain,and shame,of lust love and the games of love,

this is my life,my faith, my wishes to be free, from this highway of loneliness,and heartaches,of
yesterday.show me compassion,erase my fears,quench my thirst, from this love curse, Put ur arms around me,

never let me go,but lets take it nice and slow,teach me what i need to know,lets live for the moment,as we
walk though central park and watch the birds, and bees,and pretty butterflies,as they mingle,dangle and

played in the garden of love,Put ur arms around me,like a real father would his family,sheild and resque my
heart,teach me kindness,passion,temperament,sincerity,hope,reality, inner peace,joy and love,

let me feel and smile again, oh how i put my faith in ur love.to guide me,to keep me,Put ur arms around
me,tell me that u love me,love me tender, love me strong,simpley tell me u care,my friend, my dear,my love.

put ur arms around me.

put ur arms around me

put ur arms around me
