she is the 1

yes she is the one 

oh she mesmerize, hypnotize, excites, and entice me, 

as i slowly cuddle, caress, touch and cradle her, oh so gently, 

oh she moves me, like no other woman has, she turns me upside down, 

erotically, romantically as i unbutton her blouse revealing her bra, peeling her pantyhose, 

and sexy clothes off, her sexy body, exposing her chest and voluptuous, tasty sweet breast, 

oh i like that bedroom, dreamy look in her eyes, it's like the beauty of the sun rise, today i'm gonna sex her twice, 

oh my heart beat fast, bursting with lust and pleasure, my soul yearn for her, i thirst for her love treasure, 

her tasteful, nipples, like honey, suckle, sugar, and candy, trickling down her hot body, 

oh her kisses, intoxicate my mind, baby i surrender my heart, and 

my will, to you. I need her body oh so very desperately, 

sexually, and eagerly. oh she is the one 

yes she is the one, 

she is the 1

she is the 1
