Take me as i am,

## Take me as i am,

Take me as i am,

take me as i am, tied, weary, hopeful, scared, and full of dreams, a little under siege, NO prestige portraits, just me, i feel like the running man on a journey,

they seem to own me, so i am running for all of my unfreed homies, i am running to find my destiny, i'm trying to find me, myself and i, sometimes i feel so empty, my mind drifting, i

feel lighter, than a bird flying high above the clouds, so i pray, for faith to guide me, to ur door, im not afraid or a shame, so take me as i am, im a brother, a father someone's cousin, perhaps a jilted lover,

under cover, search my heart, and soul, im striped almost naked to the world, im unrefined, rough and rugged, around the edges, perhaps ur touch can heal me, humble and honest is my heart, i can make a sweet music

with my mind, so i mumble, my name, please keep me out of the rain, im gentle, loving and kind, take me as i am, simple hearted, but i feel alone, without a prejudice, bone or attitude, i believe the soul of a man is his reflection internally, a

mirror, of life, we're simple evolutions, of time, just passing, though life, one hope, one life, one faith, one destiny, one you one me, my faith will lead me on, another battle to fight, another cold winter night, dont lose me keep me in site,

so take me as i am, tied, and weary, but hopeful, im still full of dreams, oh freedom over me, i yet to find my destiny, for better or worst, maybe a little price to pay, we're all born to die anyway,

take me as i am, like a migration of birds, across the daring sky.

Take me as i am,

Take me as i am,
