The real Power of lov,

The real Power of lov,

The real power of love,

The real power of love is a kind of understanding, its giving of yourself, body mind and soul,its sharing, careing, and dearing.

to do anything, for love, to have faith, respect, loyalty, honor, and trust. To be apart of a dream, true love comes from the heart, its unconditional.

The real power of love is a conquering of love and desires, pleasing, and teasing, its a connection, a chemistry, a real bond, with each other, to laugh and play, when u just,

can't wait for the next day to begain, again to see that glowing smile on her face yet again and agin, to caress her tenderly, love is a beautiful thing, its a support system, a deep,

feeling of belongin, The real power of love is a warm tingling electrical feeling like no other feeling, though out ur body, that gives u the strenght of ten men..

u can dream with delight, and smile with passion, again the real power of love is special, to touch, feel and sqweeze.

love is a togetherness, we fail when we'er apart, thatsthe power oflove. The real power of love is withing our souls we are nothing without it.

love is when our hearts beat as one,

The real Power of lov,

The real Power of lov,
