What You're To Me

♥ What You're To Me ♥

You're a decoration

Nature's artistic masterpiece

You're the color and scent

Perfuming out of a rose

You're the queen's diamond ring

What You're To Me

Priceless and irreplaceable

You are the Garden of Eden

Natural and exotic

You my Mercedes

Sybaritic and luxurious

You are a sunflower

Upright bright and elegant

You are a super play station

Excitingly arresting

You are the great pyramid

Timeless and wonderful

You are Mount Everest

Majestic and beautiful

You are the Grand Canyon

Magnificent and breathtaking

You are a favorite menu

Deliciously tempting

What You're To Me

You are a honey comb

Concentrated sweetness

You are the spice

My life is right ingredient and aroma

You are my science breakthrough

Gripping and amazing

Your love Is that math formula

Interestingly puzzling

You are my lecturer

Without you there is no career

You are my highway

Speeding up my life without limits

You are the drainage system

My life current ever trickles back to you

You are my ocean

So huge deep but calm

What You're To Me

You are the waves of the sea

You blow out my mind

You are my song

Makes me wanna clap wanna dance

You are my guitar

Without a pluck I have no music

You are my drum

Without a beat I have no tune

You are my piano

Without you I would waste away and die

You are my DSTV

A world of entertainment

You are my theater

You make my night

You are my 2010 world cup

A once in a life time experience

You are my Google

What You're To Me

Always getting better

You are my Wikipedia

Knowing all my needs

You are my world wide web

With you I am all round connected

You are my iphone

Latest and unprecedented

You are the perfume

The fragrance of my life

You are my spaceship

Every date is an adventure

You are my favorite brew

Always anxious till I grab it

You are my microwave

You keep me hot when I am cold

You are my first fright

That chilling and memorable experience

What You're To Me

Youâre my swimming pool

Youâve both ends, shallow and deeper

Youâre my sports complex

All I need for sport

Youâre my Olympics

Ever record breaking

.....!
