YOU'RE MY EVERYTHING

YOU'RE MY EVERYTHING

YOU ARE MY EVERYTHING

Like a whirlwind that sweeps clean world around

You take my heart by storm and mop all my worries

You images are stuck in my mind

Synchronized with the clarity of a cyber shot

Every night I put you under the microscope

And have never succeeded find a stain on your specimen

You are the crowning act of creation

Evidence against evolution is cunning deception

You have torn down the veil shielding the invisible

For the moment I cast my glance on you I see heaven

Your smile carries my day like a magic spell

Putting my world on a standstill and thoughtlessness

Your very presence is bewitching

I feel you before I see you

I see the beauty of love in your eyes

Emitting a blinding light that dazzle my senses

I try to say it but am wordless and breathless

Till you go mincing and swishing with your trademark smile

I watch the dance of your hips and juggle of your framework

Every part of it set delicately in perfect order

To say you are immaculate, supernatural or gorgeous

Is just but for lack of a better word linguistically

I see the whole world in one package

YOU'RE MY EVERYTHING

YOU'RE MY EVERYTHING

With all its treasures, pleasures and joy in you -my everything

We meet again and I hold you in the dreamland

But before I squeeze you to kiss you I wake up

And this is all I had kept secret for millennia

Now girl will you say yes to marry me?
