Forever and ever, no matter how far

# **Forever and ever, no matter how far**

Forever and ever,

Our love will grow.

It doesn't matter how far you go.

I won't forget you,

Just so you know.

Baby, I will always think of you,

Your my one and only.

When I say I love you,

this is what I mean.

I really do hope you believe me.

Because baby, I ain't leaving.

Forever and ever, no matter how far

Forever and ever, no matter how far
