# Amidst the Storm

Â

Oh sweet love

Youâre lips, youâre eyes

You are the one I hold above.

Â

Oh sweet soul

Youâre hands, youâre embrace

You are mine to hold.Â

Â

My own sweet remedy, my shelter from the storm.Â

The sunshine to my day and the moon to my night.

You whom I adore.Â

Youâre voice is soft to my ear and your heart beats steady to my breast.

Youâre frame so sturdy and so safe.

Youâre chest is my warm nest amidst the raging storm.Â
