

# Well Thee Fare

By : Sambelini

Another exploration of "romance" writing. Blah. Well, I just had to try and get my head around it. So here's a poem. I like the sounds of the words...

# Well Thee Fare

To dance alive with hearts alight

And one day strive to reunite

The simple love of new met lovers

Singing secrets time soon covers

Behind a haze of winter air

Warm lips whisper "Well thee fare"

Fairest face in fairness lost

Ever far in star-seas crossed

Well Thee Fare
