You My Cigarette

Youâre my cigarette baby

And I can quit ya

But its gonna break my heart

Its gonna break me

Youâre my cigarette baby

And I need ya

I can feel my hands shaking

I can feel my heart pounding

Youâre my cigarette baby

And I want ya

Cold turkey ain't for me baby

You will always be for me baby

Youâre my cigarette baby

And I want ya

I need ya

I canât quit ya

You're My Cigarette baby

You're My Cigarette baby
