Just for HIM..

The reflection of your heart

Puts this sparkle in my eye

I know that weâ ll never part

That forever youâ re my guy

.

Your strength is not in your arms

But in the resolve of your soul

Iâ m in love with your charms

But committed to your whole

.

When you embrace me tight

A shroud of peace engulfs me

I feel in my core, I am alright

All my worries, instantly flee

.

Your kisses are soft and tender

Always lingering after lips part

You never play the role, pretender

Youâ ve been honest, from the start

.

Youâ re vulnerable because you trust

You place your heart in my hand

With my love I ensure it is trussed

All according to our special plan

Just for HIM..

Just for HIM..

.

Your needs, I could never refuse

I will give you whatever you want

I never worry that you will abuse

With you, Iâll go on any jaunt

.

Youâre special and I just wanted to say

The reason why I wrote you this poem

Thursday this week is Valentineâs Day

With all of my heart, I love you alone

Just for HIM..

Just for HIM..
