Please Dont Lie

You don't have to lie, I've been through this before,
Its just what you want, I don't need any more,
Just be happy with your choices, that you have to make,
Just don't let anyone tell you, that you are a fake,
Always be yourself, let your decisions be known,
This life is yours, and only yours to own,
So don't be bought out, or pressured to do bad,
For these are the things, that make you feel sad,
Just do what's right for you, and you only,
And I promise you wont, ever be lonely,
If you were to get lonely, please don't frown,
Ill always be here, I wont ever let you down.
