# Cupid's Handgun

"Never love again." was what I told my heart  
Cuz love only builds you up to tear you apart  
So as the months rolled on, I kept my heart protected  
Cupid thought he could get me affected  
But your arrows won't do me a damn thing  
Ain't no one gonna tug on my heart strings.

Lately, I've felt like Cupid's on to me  
Sneaking trough the fog like a bad memory  
He ditched his arrows for something less tame  
Now he's got a bullet carved with my name.

In the dead of the night I was hit in the chest  
Woke up my innocent heart from its rest...

Now I'm falling for someone who doesn't even know I exist  
But to be around you I just can't resist  
Got an unnatural yearning just to touch your skin  
A deep desire stirring from the depths within

I'm in love with someone who doesn't give a damn about me  
And I'm falling deeper into this damn misery  
Cupid why the hell would you do this now?  
Could you please retract your bullet somehow?

## Cupid's Handgun

The more I don't have the one I'm dying for

The more my heart sinks to the floor

I'm going to fizzle away with the setting sun

Here lies the victim of Cupid's handgun.
