Eternal Hope: chapter 5

chapter 5: When i woke up, I found myself lying in a big bed. I looked around my surroundings and I noticed that I was back at the mysterious lord's mansion, Takumi Kobayashi. While I was trying to think what happened, I didn't realize that someone had entered the room. It was him, "Are you awake?Would you like to eat something?You have been asleep for quite a while now."."Thank you, but I am not hungry".I decided to ask him, "where is my father?". He sat down in the bed's corner and said, "Your father already left and from now on, you will be living with me". I felt sad when I heard that my father had left me here. "Did you agree with this,Takumi?". "Agree about what?".I gathered my courage to say, "About our marriage, Do you approve of it?".He chuckled when I asked him."Why would I not agree with it?I will get to have such a beautiful maiden as my bride, who would decline such a divine offer?". My face turned red.He called me BEAUTIFUL, nobody said that to me before. Servants in my house always find me strange just because of my appearance, but this man just called me beautiful.I turned my face away from him because I didn't want him to see my face. "Get dressed and get outside when you are done preparing, we are going somewhere". "where are we going?".He smiled and said, "It's a secret"....to be continued
