The Start of Something Amazing

Chapter 1: The Start of Something Amazing

Chapter 1

"Matt! It's time to come inside!" shouted Amy, Matt's mother.

"Okay Mother!" Matt screamed back. He was playing with his Star Wars figures with his best friend's Andrew and Robbie.

"Yeah, I have to go to," said Robbie, "Wanna hang out tomorrow, guys?"

"Sure!" replied Andrew, hastily. "But maybe after 12, I have a dentist appointment."

"Andrew, do you need a ride home?" asked Robbie.

"Yeah, that would be great!" replied Andrew.

"Okay, see ya guys later!" screamed Matt as Robbie and Andrew pulled away in Catharine's car, (Robbie's mother). As they pulled away, Matt turned around to see his mother, Matt jumped.

"Matthew Patrick Dilphe, I called your name 10 minutes ago! Your food is sitting, waiting. Would you please set the table?"

"Yes, Mother! I'm so very sorry." Replied Matt. He ate his dinner, with his mother, sister, and father. After done eating, Matt went to go clean dishes. He was still in trouble for not listening to his mother. So he went to bed early. 9:00 is very early, especially for a 10 year old. He was such a kissup. He woke up in the middle of the night to the strange noises of banging and crashing. He stealthily went downstairs. When he peeked around the corner, he didn't even have to look, just the voice and tone and smell was enough to know it was his father.

"YOU BLOODY WHORE!" screamed the father.

"Baby, please, I... I didn't do anything..." cried his mother.

"YOU ARE A LIAR! WHO THE HELL IS LIAM? IS HE YOUR NEW LOVER?"

"Baby, Liam is-"

"I DON'T WANT TO KNOW WHO THE HELL LIAM IS! HE'S A BASTARD! HE'S AN ASSHOLE! HE'S GONNA BE A GODDAMNED MURDER VICTIM!"

"Honey, you're Liam..." stated Matt's mother.

"Huh? Oh... Yea." then the drunken father started to giggle. Then his giggles turned into laughs. Soon he was a drunken mess laughing all over the ground.

"You can be such an idiot sometimes." said Matt's mother.

"But I'm your idiot." said Liam, half awake.

"C'mon, lets go to bed, before Matt wakes up."

Shockwave by Max Dinella

"Okay." said Liam. They closed the door and the lights went right out. Matt went back upstairs and turned the corner to go onto his bed. He slept for a couple of hours before he woke up to a louder bang. This time on the door. It kept banging and banging and banging. Matt got up to go see what it was as he took his steps, a white light flashed before him.
