MONSTER Parody song from Skillet

The secret can I keep, I never let you see
I keep it a secret cause I don't wanna share it
So stay away from the fridge, it Is all mine
I feel the cold and I just can't hold it

It's hiding in the back, behind the vegetables and fruits
It comes in my head and I can't control it
Hiding under the food, in my body, in my head
Why I don't want anyone to come and save me

I feel it deep within, it's just beneath the food
I must confess that I feel like drinking monster
I love how it tastes, the dream is just so real

I must confess that I feel like drinking monster

I, I feel like drinking monster
I, I feel like drinking monster

My secret can I keep hid under lock and key
I keep it a secret but I can't control it
'Cause if I let it out they'll find out and want it
Why won't anybody just keep away from my kitchen?

I feel it deep within, it's just beneath the food

I must confess that I feel like drinking monster
I love how it tastes, the dream's coming true.

I must confess that I feel like drinking monster
I feel it deep within, it sizzles in me

I must confess that I feel like drinking monster

I, I feel like drinking monster
I, I feel like drinking monster

It's hiding in the back, it comes in different colors
There's no escape for it, I want it's taste I want it all

Everyone can hear me scream, they think I'm insane
It's inside of me, don't stop me from drinking monster

I feel it deep within, it's just beneath the food
I must confess that I feel like drinking monster

MONSTER Parody song from Skillet

I love how it tastes, the dream is true

I must confess that I feel like drinking monster

I feel it deep within, it's just beneath the vegetables

I must confess that I feel like drinking monster

I go wild and lose control, there's nothing radical

I must confess that I feel like drinking monster

I, I feel like drinking monster

I, I feel like drinking monster

I, I feel like drinking monster

I, I feel like drinking monster
