# GUITER CHORDS

**THE** repertoire of sound,  
and squeaky axles, a  
muffled appetitite, and  
a canticle of gears, and  
gadgets, and a happy man  
to put it all together.

**THIS** is a C CHORD,

**THIS IS A F CHORD,**

**THIS IS A G CHORD,**

**SEE** the man says, even  
the engine got music.

**THE** repertoire of sound.💡
