If I Were a Queen For a Day

If I Were a Queen For a Day

If I were a queen for just one day.

What would I do? What would I say?

If I were a queen for just one day.

What would I do? What would I say?

Well you see.

I would scream.

You tell me to wonder. To imagen.

But here's the thing, I'm tiered of begging for the things I want!

There was a place, when I was a child.

Were I did what I wanted to!

Now as I have grown, I see.

All of it was just a childish dream.

I'll do what I want to!

With or without you.

Cause , I am the queen!

If I Were a Queen For a Day

If I Were a Queen For a Day

For today!

And You under my spell.

Twisting in the abyss.

Watch your darkness fears, come alive.

They are following my commands.

No were to run.

Their your demonds, chasing you.

Your not the same.

I can see it in your eyes.

Can you feel your stomache turning?

Can feel your fear coming alive?

If I were a queen for just one day.

What would I do?

What would I say?

If I Were a Queen For a Day

If I Were a Queen For a Day
