## Chapter 1: Afterlife

Like walking into a dream  
So unlike what you've seen  
So unsure but it seems  
'Cause we've been waiting for you

Fallen into this place  
Just giving you a small taste  
Of your afterlife here so stay  
You'll be back here soon anyway

I see a distant light  
But girl, this can't be right  
Such a surreal place to see  
So how did this come to be, arrived too early?

And when I think of all the places  
I just don't belong  
I've come to grips with life  
And realize this is going too far

I don't belong here, we gotta move on, dear  
Escape from this afterlife  
Cause this time I'm right to move on and on  
Far away from here

A place of hope and no pain  
Perfect skies with no rain  
Can leave this place but refrain  
'Cause we've been waiting for you

Fallen into this place  
Just giving you a small taste  
Of your afterlife here so stay  
You'll be back here soon anyway

This peace on earth's not right  
(With my back against the wall)  
No pain or sign of time  
(I'm much too young to fall)

So out of place don't wanna stay  
I feel wrong and that's my sign  
I've made up my mind

Give me your hand  
But realize I just wanna say goodbye  
Please understand I have to leave  
And carry on my own life

## Avenged Sevenfold

I don't belong here, I gotta move on, dear  
Escape from this afterlife  
Cause this time I'm right to move on and on  
Far away from here

Got nothing against you  
And surely I'll miss you  
This place full of peace and light  
And I'd hope you might  
Take me back inside when the time is right

Loved ones back home all crying  
'Cause they're already missing me  
I pray by the grace of God  
That there's somebody listening

Give me a chance to be that person I wanna be  
(I am unbroken, I'm choking on this ecstasy)  
Oh Lord, I'll try so hard but You gotta let go of me  
(Unbreak me, unchain me, I need another chance to live)

I don't belong here, I gotta move on, dear  
Escape from this afterlife  
Cause this time I'm right to move on and on  
Far away from here

Got nothing against you  
And surely I'll miss you  
This place full of peace and light  
And I'd hope you might  
Take me back inside when the time is right

## Chapter 2: A Little Piece Of Heaven

Before the story begins, is it such a sin,  
for me to take what's mine, until the end of time?  
We were more than friends, before the story ends,  
And I will take what's mine, create what  
God would never design

Our love had been so strong for far too long,  
I was weak with fear that  
something would go wrong,  
before the possibilities came true,  
I took all possibility from you  
Almost laughed myself to tears,  
conjuring her deepest fears

Must have stabbed her fifty fucking times,  
I can't believe it,  
Ripped her heart out right before her eyes,  
Eyes over easy, eat it, eat it, eat it

She was never this good in bed  
even when she was sleepin'  
now she's just so perfect I've  
never been quite so fucking deep in  
it goes on and on, and on,  
I can keep you lookin' young and preserved forever,  
with a fountain sprayed on your youth whenever

'Cause I really always knew that my little crime  
would be cold that's why I got a heater for your thighs  
and I know, I know it's not your time  
but bye, bye  
and a word to the wise when the fire dies  
you think it's over but it's just begun  
but baby don't cry

You had my heart, at least for the most part  
'cause everybody's gotta die sometime, we fell apart  
let's make a new start  
'cause everybody's gotta die sometime yeah  
but baby don't cry

Now possibilities I'd never considered,  
are occurring the likes of which I'd never heard,  
Now an angry soul comes back from beyond the grave,  
to repossess a body with which I'd misbehaved

Smiling right from ear to ear  
Almost laughed herself to tears

## Avenged Sevenfold

Must have stabbed him fifty fucking times  
I can't believe it  
Ripped his heart out right before his eyes  
Eyes over easy  
Eat it, eat it, eat it

Now that it's done I realize the error of my ways  
I must venture back to apologize from somewhere far beyond the grave

I gotta make up for what I've done  
'Cause I was all up in a piece of heaven  
while you burned in hell, no peace forever

'Cause I really always knew that my little crime  
would be cold that's why I got a heater for your thighs  
and I know, I know it's not your time  
but bye, bye  
and a word to the wise when the fire dies  
you think it's over but it's just begun  
but baby don't cry

You had my heart, at least for the most part  
'Cause everybody's gotta die sometime, we fell apart  
Let's make a new start  
'Cause everybody's gotta die sometime yeah  
But baby don't cry

I will suffer for so long  
(What will you do, not long enough)  
To make it up to you  
(I pray to God that you do)  
I'll do whatever you want me to do  
(Well then I'll break you unchained)  
And if it's not enough  
(If it's not enough, If it's not enough)  
If it's not enough  
(Not enough)  
Try again  
(Try again)  
And again  
(And again)  
Over and over again

We're coming back, coming back  
We'll live forever, live forever  
Let's have wedding, have a wedding  
Let's start the killing, start the killing

Do you take this man in death for the rest of your unnatural life?  
(Yes, I do.)

## Avenged Sevenfold

Do you take this woman in death for the rest of your unnatural life?

(I do)

I now pronounce you...

'Cause I really always knew that my little crime  
would be cold that's why I got a heater for your thighs  
and I know, I know it's not your time  
but bye, bye

And a word to the wise when the fire dies  
you think it's over but it's just begun  
but baby don't cry

You had my heart, at least for the most part  
'Cause everybody's gotta die sometime, we fell apart  
Let's make a new start  
'Cause everybody's gotta die sometime yeah  
But baby don't cry

## Chapter 3: Beast And The Harlot

This shining city built of gold  
A far cry from innocence  
There's more than meets the eye 'round here  
Look to the waters of the deep

A city of evil

There sat a seven-headed beast  
Ten horns raised from his head  
Symbolic woman sits on his throne  
But hatred strips her and leaves her naked

The beast and the harlot

She's a dwelling place for demons  
She's a cage for every unclean spirit, every filthy bird  
And makes us drink the poisoned wine to fornicating with our kings  
Fallen now is Babylon the great

The city dressed in jewels and gold  
Fine linen, myrrh and pearls  
Her plagues will come all at once  
As her mourners watch her burn

Destroyed in an hour

Merchants and captains of the world  
Sailors navigators too  
Will weep and mourn this loss  
With her sins piled to the sky

The beast and the harlot

She's a dwelling place for demons  
[From: <http://www.elyrics.net/read/a/avenged-sevenfold-lyrics/beast-and-the-harlot-lyrics.html>]  
She's a cage for every unclean spirit every filthy bird  
And makes us drink the poisoned wine to fornicating with our kings  
Fallen now is Babylon the great

The day has come for all us sinners  
If you're not a servant, you'll be struck to the ground  
Flee the burning, greedy city  
Looking back on her to see there's nothin' around

I don't believe in fairy tales and no one wants to go to Hell  
We've made the wrong decision and it's easy to see  
Now if you wanna serve above or be a king below with us  
Your welcome to the city where your future is set forever

## Avenged Sevenfold

She's a dwelling place for demons  
She's a cage for every unclean spirit every filthy bird  
And makes us drink the poisoned wine to fornicating with our kings  
Fallen now is Babylon the great

She's a dwelling place for demons  
She's a cage for every unclean spirit every filthy bird  
And makes us drink the poisoned wine to fornicating with our kings  
Fallen now is Babylon the great

## Chapter 4: Almost Easy

I feel insane every single time  
I'm asked to compromise  
'Cause I'm afraid and stuck in my ways  
And that's the way it stays

So how long did I expect  
Love to outweigh ignorance?  
By that look on your face  
I may have forced the scale to tip

I'm not insane, I'm not insane  
I'm not insane, I'm not, not insane  
(I'm not)  
Come back to me, it's almost easy  
(Set it off)  
Come back again, it's almost easy

Shame pulses through my heart  
From the things I've done to you  
It's hard to face but the fact remains  
That this is nothing new

I left you bound and tied  
With suicidal memories  
Selfish beneath the skin  
But deep inside I'm not insane

I'm not insane, I'm not insane  
[ From: <http://www.elyrics.net/read/a/avenged-sevenfold-lyrics/almost-easy-lyrics.html> ]  
I'm not insane, I'm not, not insane  
(I'm not)  
Come back to me, it's almost easy  
(Set it off)

Come back again, it's almost easy  
(You learned your lesson)  
Come back to me, it's almost easy  
(It's still your fault)  
Come back again, it's almost easy

Now that I've lost you, it kills me to say  
(Hurts to say)  
I've tried to hold on as you've slowly slipped away  
I'm losing the fight, I've treated you so wrong  
Now let me make it right  
(Make it all right)

I'm not insane, I'm not insane

## Avenged Sevenfold

I'm not insane, I'm not, not insane  
(I'm not)  
Come back to me, it's almost easy  
(Set it off)

Come back again, it's almost easy  
(You learned your lesson)  
Come back to me, it's almost easy  
(It's still your fault)  
Come back again, it's almost easy

## Chapter 5: Bat Country

He who makes a beast out of himself  
Gets rid of the pain of being a man

Caught here in a fiery blaze, won't lose my will to stay  
I tried to drive all through the night  
The heat stroke ridden weather, the barren empty sights  
No oasis here to see  
The sand is singing deathless words to me

Can't you help me? As I'm startin' to burn  
(All alone)  
Too many doses and I'm starting to get an attraction  
My confidence is leaving me on my own  
(All alone)  
No one can save me and you know I don't want the attention

As I adjust to my new sights  
The rarely tired lights will take me to new heights  
My hand is on the trigger I'm ready to ignite  
Tomorrow might not make it but everything's all right

Mental fiction follow me  
Show me what it's like to be set free

Can't you help me? As I'm startin' to burn  
(All alone)  
Too many doses and I'm starting to get an attraction  
My confidence is leaving me on my own  
(All alone)  
No one can save me and you know I don't want the attention

I'm sorry you're not here  
I've been sane too long my vision's so unclear  
Now take a trip with me  
But don't be surprised when things aren't what they seem

Caught here in a fiery blaze, won't lose my will to stay  
These eyes won't see the same, after I flip today

Sometimes I don't know why we'd rather live than die  
We look up towards the sky for answers to our lives  
We may get some solutions but most just pass us by  
Don't want your absolution 'cause I can't make it right

I'll make a beast out of myself  
Gets rid of all the pain of being a man

Can't you help me? As I'm startin' to burn

## Avenged Sevenfold

(All alone)

Too many doses and I'm starting to get an attraction

My confidence is leaving me on my own

(All alone)

No one can save me and you know I don't want the attention

I'm sorry you're not here

I've been sane too long my vision's so unclear

Now take a trip with me

But don't be surprised when things aren't what they seem

I've known it from the start

All these good ideas will tear your brain apart

Scared but you, you follow me

I'm too weird to live but much too rare to die

## Chapter 6: Brompton Cocktail

(Out of time)

Doc, I'm dying, I'm feeling compromised

(Feeling compromised)

And so dehumanized

(And so dehumanized)

I lost my final fight to disease

I feel that this is where it ends

I need that shot to enter my vein

My Brompton cocktail blend

?Cause I can't feel my face

I won't struggle on

In a world so cold

In a world so wrong

I'm not running away, been fighting this so long

(So long)

Such a price that we pay, we gotta be so strong in a lie

I'm tired, induced euphoria

(Induced euphoria)

To help me move along

(Help me move along)

I wanna meet my maker in peace

I want to feel alive again

So put that smile back on my face

And mix it strong, my friend

?Cause I can't feel my face I won't struggle on

In a world so cold

In a world so wrong

I'm not running away, been fighting this so long

(So long)

Such a price that we pay, we gotta be so strong

And I take my life tonight ?cause I have the right to die how I wanna

And leave how I arrived, so alive

I believe my sins have been forgiven

And I believe my choice will save me from this life

Please don't question why my sins have been forgotten

I believe I'll find peace in afterlife

Please don't question why I left this way

?Cause I can't feel my face

I won't struggle on

## Avenged Sevenfold

In a world so cold  
In a world so wrong

I'm not running away, been fighting this so long  
(So long)  
Such a price that we pay, we gotta be so strong  
And I take my life tonight 'cause I have the right to die how I wanna  
And leave how I arrived, so alive  
(Alive)

## Chapter 7: Buried Alive

Take the time just to listen  
When the voices screamin' are much to loud  
Take a look in the distance  
Try and see it all

Chances are that ya might find  
That we share a common discomfort now  
I feel I'm walking a fine line  
Tell me only if it's real

Still I'm on my way  
(On and on it goes)  
Vacant hope to take

Hey I can't live in here for another day  
Darkness has kept the light concealed  
Grim as ever  
Hold onto faith as I dig another grave  
Meanwhile the mice endure the wheel  
Real as ever  
And it seems I've been buried alive

I walked the fields through the fire  
Taking steps until I found solid ground  
Followed dreams reaching higher  
Couldn't survive the fall  
Much has changed since the last time  
And I feel a little less certain now  
You know I jumped at the first sign  
Tell me only if it's real

Memories seem to fade  
(On and on it goes)  
Wash my view away

Hey I can't live in here for another day  
Darkness has kept the light concealed  
Grim as ever

Hold on to faith as I dig another grave  
Meanwhile the mice endure the wheel  
Real as ever

And I'm chained like a slave  
Trapped in the dark  
Slammed all the locks  
Death calls my name  
And it seems I've been buried alive

## Avenged Sevenfold

Take you down now  
Burn it all out  
Throw you all around  
Get you're fuckin' hands off me  
What's it feel like?  
Took the wrong route  
Watch it fall apart  
Now you're knockin' at the wrong gate

For you to pay the toll  
A price for you alone  
The only deal you'll find  
I'll gladly take your soul

While it seems sick  
Sober up quick  
Psycho lunatic  
Crushing you with hands of fate  
Shame to find out when it's too late  
But you're all the same  
Trapped inside inferno awaits

Evil thoughts can hide  
I'll help release the mind  
I'll peel away the skin  
Release the dark within

This is now your life  
Strike you from the light  
This is now your life  
Die buried alive  
Die buried alive

This is now your life  
Die buried alive
