Dream Vs Nightmare

Dream Vs Nightmare

The moon cryin' out in

The rain

The moon running out of

Its stain

It's been all over me, the pink,

The red, and the green

Bat dead

The sun is getting darker to-nite

The sun is fading away

It's been all over the land

Burning down

My chance, I can't understand,

The sun is falling apart

Open up the sky, saving Madagascar,

The sea is splashing

Fire of sand, the sea is spreading

Fire my hands

It's been all over the pond

Turnin' fishes to clown, laughin'

All about

The sea flames wetting me drought

Frozen hell from that cloud

Zero!...You wake now.
