Have no Fear

Have no Fear

Have no fear the writer is here, weâ ll travel

The world

Where people are noble and you can

Read my novel, bled my sword

Have no fear my darling is here

Mercy on me

Iâ m weak and soft fill my cloth

With coffee and broth

Bars and stars drunk we both

Have no fear I read my book

Now is clear

You and I never shy to cry out

Loud, rain and cloud

No wonder Iâ m so proud to be

Your spouse

Have no fear you, sour beer with my

Glass so near

Wetting these pants, scratching

Have no Fear

Damn ants

From space and time, lack of wine

Have no fear these are only

My tears, drops from my beer.
