Make sense of it all

Make Sense of it All

Make sense of it all don't you

Care no more

About that sound that

You make,

Don't you know you're insane?

Make sense of it all don't you

Open that door

You'll see my mirrors of pain

Half century's gone, won't

You take them away

Make sense of it all, would

You play it

Once more, I'll be damn

In the end,

Writing my non-sense

Making sense of it all I would

Live through

This world, chasing meaningless

Make sense of it all

Words.
