Missing Place

Missing Places

I wish I was there, to care and

who the hell really

care

all silence and fresh air

but where are you? some

dispear

What a pity, I can't find you

C, you just can't

see, B, now we're 3

A, I hope I can stay

Still, you are my favorite

place and be

blessed

where I feel, and heal

with no need to

appeal

I'll find you one day, so sad

that day is not today.
